

Years 7, 8 and 9 Pupil Work

Over the coming weeks we will provide work for pupils in years 7, 8 and 9 for the subjects below. The work will be obtained from the Google Classroom and the brief summaries below inform you as to what will be studied.

Any technical issues please email: itstudenthelpdesk@aldergrange.com

Science

Please see the class Stream on Google Classroom for a link to science work for pupils to do during the closure. This work involves continuing with current topics, consolidating past topics and previewing future topics.

English

Please go to the Google Classroom to get to the work for years 7, 8 and 9.

Yr 7 – Exploring poetry comprehension tasks, with personal reading and ‘200 word’ writing challenges;

Yr 8- Romeo and Juliet- ‘You decide’ miscellany of tasks, with personal reading and ‘200 word’ writing challenges;

Yr 9- Macbeth- ‘You decide’ miscellany of tasks, with personal reading and ‘200 word’ writing challenges.

Maths

Please go to the Google Classroom and also ‘Mathswatch’

Google classroom

Please go to google classroom to get the work for year 7,8 and 9. Work will be set by teachers according to individual student’s needs. Ongoing communication with the teacher through google classroom

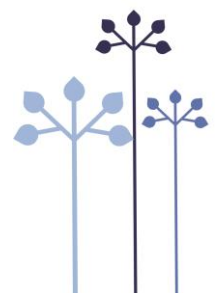

MathsWatch

Homework package available with a video link on MathsWatch for year 7,8 and 9. Those homework packages are updated every week by the main teacher

Humanities

Geography and History work will be set by teachers and tailored to the Individual needs of classes.

Pupils should access this from Google Classroom. For example this could be a research task that develops curiosity, knowledge and skills within Humanities.

Years 10 to 13 Pupil/Student Work

In years 10, 11, 12 and 13 work will be posted onto the Google Classroom and the pupils/students have been made aware of where this work is.

General Information

We will aim to keep a steady supply of work over the period of time that we are closed and we ask for your support and patience in the event that minor delays occur with this process.

Remember what Mrs Griffiths has suggested. Use this productively. This is a great opportunity to:

- Read a new book
- Learn about something new
- Watch a documentary
- Take up a new hobby or interest
- Play board games
- Help in the community
- Try to limit your screen time and enjoy new things
