

A flock of geese is flying in a clear blue sky. The geese are in various stages of flight, with some wings fully extended and others partially folded. The text is overlaid on the center of the image.

Alder Grangers

Week 11 message from Mrs Griffiths

22nd June 2020

Weekly update – Year 10

- This morning we welcomed back the first group of Y10 pupils to school. It was lovely to see them, even if it is in unusual circumstances, we can only have 25% of the year group in each day, so Year 10 will be in one day a week until the end of term.
- **Senior Pupils:** Look out for information about the alternative to interviews this year, Miss Procter will be in touch with everyone who has applied to be either Head Boy/Girl or a Deputy with instructions.

Weekly update – Year 12

- Year 12 will be having virtual lessons each afternoon this week. Check your emails for details of when to log in – it was lovely seeing so many of you in assembly on Friday
- Look out for UCAS info from Miss Luszczak, now is a good time to get ahead with planning for next year.

Weekly update Years 7, 8, 9

- We are planning for you to have a chat with your form teachers from next week, this will give you a chance to tell us how you are coping and for us to give you feedback from all your teachers.
- Years 8 & 9 will be next week (29 June – 3 July)
- Year 7 will be the week after (6 – 10 July)
- Year 7 – we will have another assembly this week on Tuesday at **2.30pm**

Weekly update Years 11 & 13

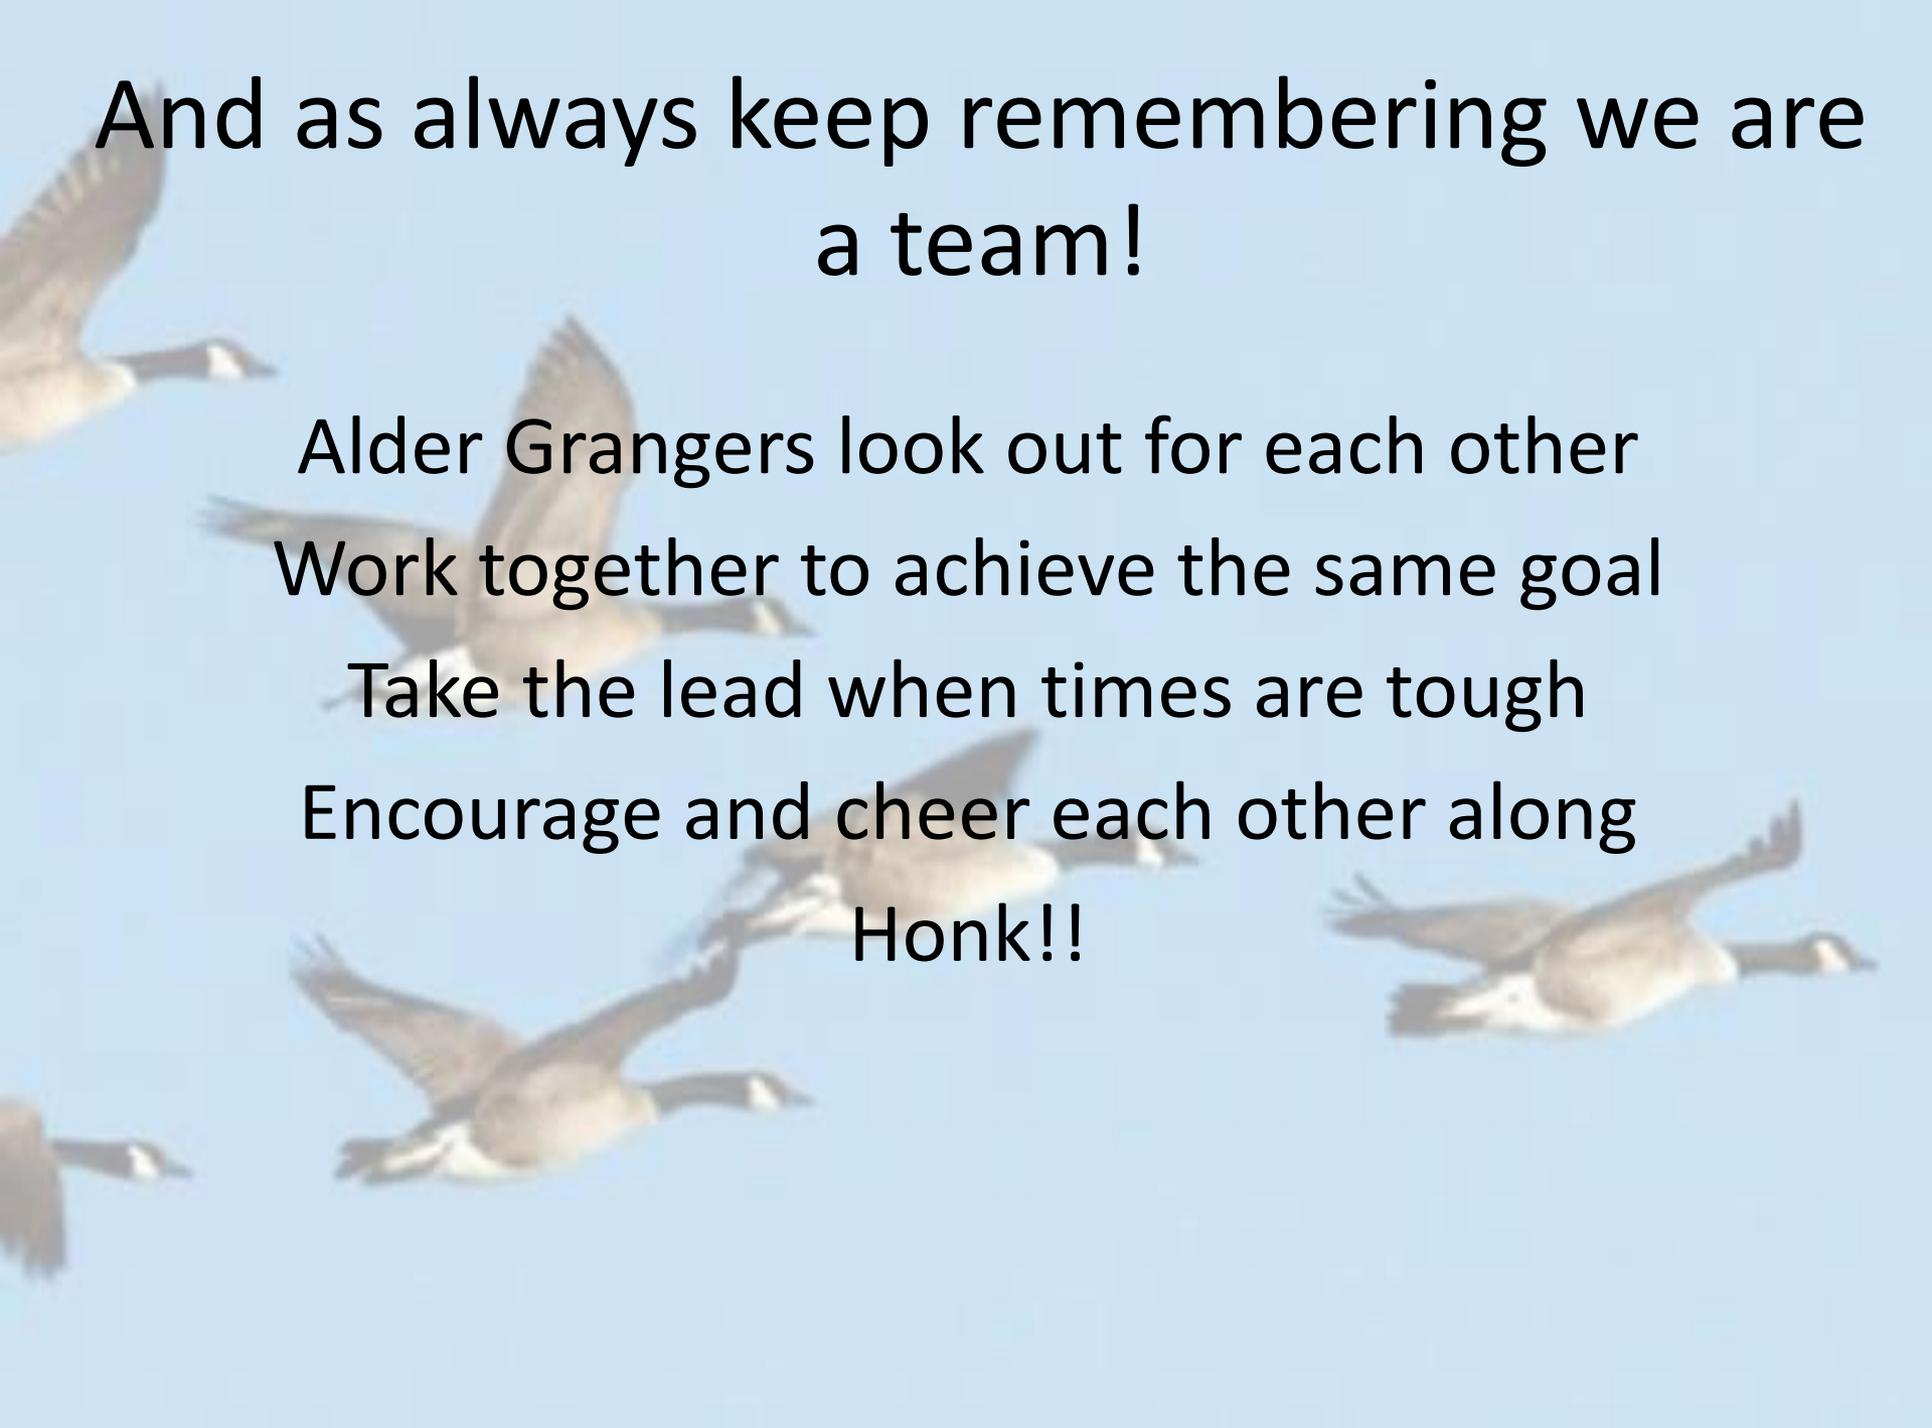

- The school part of assessing your grades is now complete, this used teacher grades, other information we have about you and some moderation and checking in school. The exam boards will now do their part and calculate your final grades in time for results days.
- Year 13 results on 13th August, Year 11 on 20th August.
- Leavers assemblies will be taking place on Friday 3rd July.
- Y11 transition work is online for those of you preparing to come to sixth form in September – try to keep your brains active by doing some!

This week

- Keep up the good work with your lessons, it is so impressive to see how well you are all doing. Try not to get behind, do some work each day and stick to your daily routines.
- Also keep going with exercising and enjoying the fresh air.
- Complete your sports day entries if you haven't yet!
- Try some of the mindfulness ideas we have been sharing – give meditation a go, or some colouring, or yoga – keeping mentally healthy is just as important as keeping on top of your work.
- If you are struggling let us know, we can help, even though you are not in school.

September

- We know that the Prime Minister has said all of you will be back in September, which we are all excited about. We are waiting to hear about the rules for social distancing before we can plan properly, but if we need to keep you all 1 or 2m apart we will have to have a rota, so you may not be in every day.
- Hopefully by next week we will know more & as soon as we know more I will tell you

A flock of geese is flying in a V-formation against a clear blue sky. The geese are in various stages of flight, with some wings fully extended and others tucked. The text is overlaid on the image.

And as always keep remembering we are
a team!

Alder Grangers look out for each other
Work together to achieve the same goal
Take the lead when times are tough
Encourage and cheer each other along
Honk!!
