

A flock of geese is flying across a clear blue sky. The geese are in various stages of flight, with some wings fully extended and others tucked. The text is overlaid on the center of the image.

Alder Grangers

Week 9 message from Mrs Griffiths

8th June 2020

Weekly update

- We have just heard that there is no wider re-opening for Y10/12 next week. This will be reviewed next Monday.
- We are planning for Year 10 and 12 to come in one Form at a time in the first week of wider re-opening, whenever that is, and then lessons the week after that. More details have been sent to your parents on this, and we will confirm your days/times as soon as we can.

Assemblies

- I really enjoyed seeing lots of Y8 on Thursday in our Google Meet session to talk about options. So I am planning to speak to all other year groups in a Google Meet/year group assembly later this week/next week.
- **Year 7** on Tuesday at 10am – check Google Form classrooms for a code just before
- **Year 10** on Friday at 2pm
- **Year 9** next week on Tuesday (16th June) at 2pm, as I know you are all meeting in Forms this week with Mrs Hesketh
- **Year 8** we will meet again next week too, I will let you know exactly when nearer the time.
- **Year 11 & 13** we are planning something special for you too.

Look out for info about **Alder Grange Sports** week, from Mrs Archer – unfortunately we can't have our usual sports day but it would be great to see you all taking part in these activities, see link below:

New rules – a reminder!

- I know many of you will be really excited that there has been some lifting of rules and you can now meet friends for a walk or to sit in gardens.
- Do make sure you stick to the 2m distance and don't get over-confident or tempted to relax the rules further.
- We have seen groups of Alder Grangers meeting near school and some on the school field & 3G recently – this cannot happen, we need to keep school safe for the pupils who are here and for you all when you are able to return. Please do not do this, even in the evenings or after school.
- If we all stick to the rules, lockdown will be over sooner and hopefully for good.

Keeping in touch

- The most important thing as ever is to stay in touch, and let us know if you are struggling.
- Make use of Google Classroom form groups, or email any of your teachers for support.
- We are planning for all of you to have some contact with your Form teachers as soon as possible for a 1:1 meeting.
- We can arrange counselling or mentoring chats on the phone for you to help you manage your work or cope with your feelings.

A flock of geese is flying in a V-formation against a clear blue sky. The geese are in various stages of flight, with some leading and others following. The text is overlaid on the image.

And as always keep remembering we are
a team!

Alder Grangers look out for each other
Work together to achieve the same goal
Take the lead when times are tough
Encourage and cheer each other along
Honk!!
