

KS5 Business Studies

BTEC National Extended Certificate in Business ([601/7159/5](#))

This course gives a broad introduction that gives learners transferable knowledge and skills. These qualifications are for post-16 learners who want to continue their education through applied learning. The qualifications prepare learners for a range of higher education courses and job roles related to the Business Sector. They provide progression either by meeting entry requirements in their own right or by being accepted alongside other qualifications at the same level and adding value to them. All students will study:

- Exploring Business
- Developing a Marketing Campaign
- Personal and Business Finance
- Recruitment and Selection

The units are assessed through a combination of external examination, controlled assessments and assignments.

The learning and skills developed in these lessons support further studying at university, entry into business roles or self-employment.
