

*KS4– 5 Transition
A Level Media*

Dish of the day

1. Write a 1 minute radio interview with a presenter and guest speaker on a subject of your choice.
Or
2. Create a 30 second video on a subject of your choice, but suitable for a family audience - this could be a hobby, about yourself, a Music video.

Food for thought

Design a digital magazine front cover with a minimum of 3 original photos (taken by you) on a subject of your choice, suitable for a family audience, for example a health and fitness magazine or a Music genre magazine. You may wish to sign up to <https://www.canva.com/create/magazine-covers/> to create your front cover.

*How you present the work is entirely up to you- Written down, filmed.
Please bring it with you to your first lesson in September.*
